1990 COUNTY BLOCK MAP (RECREATED)

 (90RBLK) 19319013025000000000

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- ¹ A '+' following place name indicates that the place is also a false MCD; the false MCD name is not shown.
- ² In 1990, the crews-of-vessels population of ships at sea was allocated to census tracts with a '99' suffix. An anchor symbol appeared on the 1990 maps locating a crews-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.
- ³ A '*' following a block number indicates that the block number is repeated elsewhere in the block.

A diagram showing a rectangular sheet with a smaller rectangle inside it, representing the sheet location within the entity.
